A NOTE ABOUT THP'S SUMMER HOURS:

The Healing Place operates on a limited schedule during the months of June and July, meaning grief support staff, including counselors, are in the office less. Due to limited staff availability, our bi-weekly Thursday night groups have been changed to **once-per-month group nights**.

Our currently scheduled group nights for summer 2024 are **JUNE 20th** and **JULY 11th**. Please mark your calendars, RSVP, and join us for these nights! As always, you can keep up-to-date by following our social media accounts or being added to our Remind platform.

WORK STUDY PROGRAM

If you and your family are in the office very often, you may notice some new faces around The Healing Place beginning this summer. THP has partnered with the University of North Alabama to add Work-Study students Kheniyah, Julianna, Annie, Lilly, and Abigail, to our organization's staff. Our new friends may be seen answering the phones, handling paperwork, helping at Terrific Tuesday summer camp and/or group nights, and maybe even sitting in on sessions from time to time.

These bachelor-level students are a tremendous asset and we are so excited to have them!
